

THE TIGER MOTHS RETURN-2018

Live the dream and experience the joys of flying in an open cockpit wartime training aircraft over the beautiful picturesque Cornish landscape. The aircraft you fly in has been lovingly restored to an extremely accurate standard and is flown by a very experienced pilot. On your flight you will wear a sheepskin flying jacket, leather flying helmet and goggles to help transport you back to those halcyon days of real flying. The sensational aviation experience will include a walk round the aircraft with a talk on the WW2 training programme and half-an-hour in the air, when you can actually take the controls. Formation flying is also available so you can fly next to your friend or partner in another similar Tiger Moth. We can even do 3 aircraft together.

All this for only £250 each, plus you will take away memories for a life time!

The planned dates in 2018 at Bodmin Airfield for the TMT Nostalgic Flight Tiger Moths will be on May 5th & 6th plus August 11th & 12th. (weather gods permitting)
